- Smart beta:

index exposure based on factors or fundamentals rather than market capitalisation, typically designed to help you enhance returns or reduce risk.
- Active:

combining active management with the flexibility and transparency of ETFs.
- Thematic:

exposure to interesting themes that aren't captured by traditional sector classifications.
- PowerShares funds

- P Physical: the fund owns a portfolio broadly similar to the benchmark index or, in the case of active ETFs, a portfolio selected by the manager.
- S Synthetic: the fund owns a portfolio of listed securities, not necessarily from the benchmark index, and uses swap contracts with major banks to cover any difference between portfolio and index performance. This ensures very precise tracking. Exposure to swap counterparties is strictly controlled.
- PB Physically-backed: the relevant precious metal is held by a custodian on behalf of investors. Note that an exchange-traded commodity (ETC) is a type of debt security not a fund.

Our ETFs are UCITS funds designed to give you efficient and transparent exposure to equities, fixed income and commodities. For single commodities, we offer exchange traded commodities (ETCs). ETCs are debt securities rather than funds but aim to give you a comparable level of transparency and security. Visit our website for full product details, including codes for additional trading currencies.

Find out more at [PowerSharesETF.com](https://www.PowerSharesETF.com)

- Smart beta:
- index exposure based on factors or fundamentals rather than market capitalisation, typically designed to help you enhance returns or reduce risk.
- Active:
- combining active management with the flexibility and transparency of ETFs.
- Thematic:
- exposure to interesting themes that aren't captured by traditional sector classifications.
- PowerShares funds

- P

Physical:
- the fund owns a portfolio broadly similar to the benchmark index or, in the case of active ETFs, a portfolio selected by the manager.
- S

Synthetic:
- the fund owns a portfolio of listed securities, not necessarily from the benchmark index, and uses swap contracts with major banks to cover any difference between portfolio and index performance. This ensures very precise tracking. Exposure to swap counterparties is strictly controlled.
- PB

Physically-backed:
- the relevant precious metal is held by a custodian on behalf of investors. Note that an exchange-traded commodity (ETC) is a type of debt security not a fund.

About Invesco PowerShares

We are a forward-thinking fund provider that wants you to get more from your portfolio. We offer over 80 exchange traded funds (ETFs) in Europe, from simple funds tracking well-known indices to “smart beta” strategies that could improve performance. We focus only on ETFs, so we have the market knowledge to help you trade them efficiently too. Because we are part of Invesco, you also benefit from the ideas and expertise of one of the world’s largest independent asset managers. Whatever your investment objective, we can help you meet it.

Your capital is at risk. You may not get back the amount you invested.

This document contains information that is for discussion purposes only, and is intended only for professional investors pursuant to Directive 2004/39/EC (MIFID) Annex II Section I in Austria, France, Germany, Ireland, Italy, the Netherlands and the UK, and Regulated Qualified Investors in Switzerland. The ETFs may only be offered and the Key Investor Information Document (“KIID”) and prospectus (the “offering documents”) and marketing materials may only be distributed in other jurisdictions in compliance with private placement rules and local regulations. This document is not for distribution to, or for the attention of, US or Canadian persons. Without limitation, this document does not constitute an offer or a recommendation to enter into any transaction. When making an investment decision, you should rely solely on the final documentation and any prospectus relating to the transaction and not this summary. Investment strategies involve numerous risks. Any calculations and charts set out herein are indicative only, make certain assumptions and no guarantee is given that future performance or results will reflect the information herein. Investors should consult their own business, tax, legal and accounting advisors with respect to this proposed transaction and they should refrain from entering into a transaction unless they have fully understood the associated risks and have independently determined that the transaction is appropriate for them. In no way should we be deemed to be holding out as financial advisers or fiduciaries of the recipient hereof. The offering documents and financial reports for the Source and Invesco PowerShares ETFs are available at PowerSharesETF.com. German investors in Source ETFs may obtain the offering documents in paper or electronic form free of charge from the German information and paying agent: (Marcard, Stein & Co AG, Ballindamm 36, 20095 Hamburg, Germany). The representative for Invesco PowerShares ETFs in Switzerland is Invesco Asset Management (Schweiz) AG, Talacker 34, 8001 Zurich. The representative for Source ETFs in Switzerland, as well as the paying agent for Source and Invesco PowerShares, is BNP Paribas Securities Services, Paris, succursale de Zurich, Selnaustrasse 16, 8002 Zurich, Switzerland. The offering documents, articles of incorporation and annual and semi-annual reports may be obtained free of charge from the representative in Switzerland. Source ETFs and Invesco PowerShares ETFs are issued by companies domiciled in Ireland and governed by Irish law. The ETFs are UCITS funds that are distributed in Italy exclusively to professional investors; some of them are admitted to trading on the ETFplus market managed by Borsa Italiana SpA, which may also be traded by retail investors through authorised participants. The publication of the supplement in Italy does not imply any judgment by CONSOB on an investment in an ETF. The list of ETFs listed in Italy, the prospectus, the KIID and the supplement of each ETF are available: (i) at PowerSharesETF.com (along with the audited annual report and the unaudited half-year reports); and (ii) on the website of the Italian Stock Exchange بورسitaliana.it. All investment decisions must be based only on information contained in the prospectus, the KIID, the supplement and in the most recent audited annual report or unaudited semi-annual report. Investors should read the specific risks of any ETFs they plan to invest in, which are noted in the prospectus, the KIID and the supplement. Past performance does not guarantee similar future performance. For details on fees and other charges, please consult the prospectus, the KIID and the supplement of each ETF. Whilst the PowerShares EuroMTS Cash 3 Months UCITS ETF has been established and is authorised as a UCITS (in accordance with the UCITS Directive) in Ireland, the PowerShares EuroMTS Cash 3 Months UCITS ETF has not been registered in the UK and therefore is not a recognised collective investment scheme for the purposes of the Financial Services and Markets Act 2000 of the UK (“FSMA”). Therefore, the promotion of the PowerShares EuroMTS Cash 3 Months UCITS ETF and the distribution of this document in the UK is accordingly restricted by law. This document is exempt from the scheme promotion restriction (in Section 238 of FSMA) on the communication of invitations or inducements to participate in unrecognised collective investment schemes on the grounds that it is being issued to and/or directed at only the types of person referred to above. To the extent that this document is issued by Source UK Services Limited and Invesco PowerShares, the PowerShares EuroMTS Cash 3 Months UCITS ETF is only available to such persons and this document must not be relied on or acted upon by any other persons. Any recipient of this document who is an authorised person may (if and to the extent it is permitted to do so by the FCA rules applicable to it) distribute it or otherwise promote the PowerShares EuroMTS Cash 3 Months UCITS ETF in accordance with Section 238 of FSMA but not otherwise. Any recipient of this document who is not an authorised person may not distribute it to any other person. The offering of Invesco PowerShares ETFs has not been and will not be notified to the Belgian Financial Services and Markets Authority (Autoriteit voor Financiële Diensten en Markten/Autorité des Services et Marchés Financiers) nor has this document been, nor will it be, approved by the Financial Services and Markets Authority. The ETFs may be offered in Belgium only to a maximum of 149 investors or to investors investing a minimum of €250,000 or to professional or institutional investors, in reliance on Article 5 of the Law of August 3, 2012. This document may be distributed in Belgium only to such investors for their personal use and exclusively for the purposes of this offering of ETFs. Accordingly, this document may not be used for any other purpose nor passed on to any other investor in Belgium. This document has been communicated by Source UK Services Limited, 110 Cannon Street, London, EC4N 6EU, authorised and regulated by the Financial Conduct Authority, Invesco Asset Management S.A., 18, rue de Londres, 75009 Paris, France, authorised and regulated by the Autorité des marchés financiers, Invesco Asset Management Deutschland GmbH, An der Welle 5, 60322 Frankfurt/M., Germany, Invesco Asset Management (Schweiz) AG, Talacker 34, 8001 Zurich, Switzerland, and Invesco Asset Management Limited, Perpetual Park, Perpetual Park Drive, Henley-on Thames, Oxfordshire RG9 1HH, UK Authorised and regulated by the Financial Conduct Authority. © 2017 Source UK Services Limited and Invesco PowerShares.
